Queen Finalists Chosen; Judges to Pick Winner At Senior Ball, May 6

Co-eds nominated for Wistaria Queen in the elections conducted last week were Mrs. Laenor Zaharades, senior, Beatrice Jacobson, Jane Lally, Rita Patrick and Gloria Velgot, sophomores, and Janet Cooney, Pat Kelly and Joan Paterson, freshmen.

The Queen will be selected from the above candidates at the Wistaria Senior Ball May 6, in the Ritz ballroom, by a panel of judges, the names of whom are to be announced. The girl, who in the opinion of the judges places second in the contest, will be named the Queen's maid of honor and the remaining six girls will be attendants.

The Queen will reign at the annual Wistaria pageant, "The Barnum Diary," to be presented by the Office of Campus Productions Sunday afternoon following the dance, at Marina Park Circle.

Plans are being completed to broadcast the dance and the announcement of the contest winner over a local radio station. Music for the event will be provided by Al Lombardi and his orchestra, featuring the Rain Beaus.

The Athletic Office has announced that the Wistaria Week-End intramural track meet, scheduled for May 7, has been postponed until May 11 at 2 p.m. at the soccer field in Seaside Park.

University Picnic Scheduled for May 7

The annual All School Picnic will be held at the Ninety Acres Park picnic grounds, Saturday, May 7, at 12 noon. The main event of the afternoon will be a softball game between the Wistaria Girls and Beta Gamma Sorority.

Also included in the program are a three legged race, sack race, marshmallow eating contest, horseshoe pitching, volleyball, potato race, and a singing contest. Prizes will be awarded to the winners of the events.

Refreshments are on the house, as well as transportation to and from the grounds. Buses will leave from the front of Fones Hall at 11:45 a.m. Nathan Tudor is chairman of the affair.

NSA to Introduce Purchase Discount Plan in the Fall

With more than ten merchants already cooperating, the NSA Campus Commission began plans last week for the introduction of its Purchase Card Plan, "to lower student cost of living" on the UB Campus in September it was announced by John Saccone, chairman of the Purchase Card Committee.

The plan, as initiated in Buffalo, N. Y. last Spring, is a student project designed to obtain through

Students to Vote May 4-6 for New Council Members

More than twenty candidates will compete for fifteen Student Council offices in the election scheduled for the first week of May. This announcement was made by Ray Clarke, chairman of the election committee, last Tuesday, April 26, when nominations for the Student Council were officially closed.

Between April 26 and May 2, which has been designated as campaign week, the aspiring candidates are expected to inform their constituents of the principles for which they stand by means oral, pictorial or literary. To further familiarize the student with the candidates, photographs and thumbnail sketches, will be prominently displayed during this period.

While the Council is actually composed of eighteen representatives, the three remaining seats are open to next year's freshman class and will be filled sometime in December. The constitution provides that the upper three classes shall be represented as follows:

"Know Your NSA," Is Theme of Open House At Stables, May 4

The NSA Campus Commission in cooperation with the Student Council, will sponsor an "NSA Night" Wednesday evening, May 4, at the Fones Snack Bar at 8:30 p.m. David Zimmer, co-chairman of the NSA Campus Commission, announced last week. Mr. Zimmer also announced the addition of Roswell T. Harris, a UB junior, majoring in sociology, and a member of the Human Relations Subcommittee, to the Campus Commission's Executive Committee.

The theme of the affair will be "Know Your NSA," and will feature a talk by Ben Labaree, Yale, speakers will include John Saccone, who will report on the Purchase Card Plan; Fred Cicalo, the Human Relations and Educational Practices Committee; Benjamin Raubvogel, International Projects Committee; David Zimmer, the NSA Campus Commission, and John Cox who will preside over the meeting.

After the reports, committee chairmen will conduct workshops in order to get proper discussion

on the committees' activities. Guest NSA representatives from the NSA member colleges in this area will be present to explain what their committees are doing in NSA.

Open to All

The program is open to all, including special and evening students. Coffee, cokes and doughnuts will be served, and every consideration will be taken to answer all questions concerning NSA activities.

During the week pictorial displays of NSA Campus Commission activities and projects on this campus will be posted on the bulletin boards. Pictures and explanations of members of the executive committee and committee chairmen will be displayed in order to better acquaint the student body with their NSA leaders.

James H. Halsey, president of UB, together with his wife and three sons, will leave June 17 on the "Edam, Holland-American line freighter, to spend the summer in Europe. Dr. Henry W. Littlefield, vice president, will be in charge during Mr. Halsey's absence.

NSA Recommends Federal Program For Assistance to Needy Students

The NSA has called upon Congress to enact legislation to provide a national program of federally financed scholarships for approximately 300,000 college students, it was announced this week by David Zimmer, co-chairman of the NSA Campus Commission. The "Civilian G. I. Bill" would provide for direct support to the individual on the basis of need and ability, and would be administered by the states without discrimination as to race, creed, economic or social status.

The purpose of the NSA program was outlined by the National Executive Committee as a means of "removing further the economic barriers to education and enabling our most competent and gifted youth to obtain for themselves and for society the maximum benefit to be gained from higher education."

Students' Support Requested

The more than 700,000 students represented in NSA through its 289 colleges and universities were called upon to exert full support for such legislation in a report by the Association's National Commission on Education Problems. The urgent need was stressed by the commission when it indicated that another 10 percent increase in general tuition was to be expected for the coming year in addition to the

Hur-ry! Hur-ry! Hur-ry!

The Gee-reatest Show on Earth is Coming!

Hur-ry! Hur-ry! Hur-ry!

Step right up folks, an' I'll tell ya' what we're gonna do!

On June 12, when the city of Bridgeport climaxes its observance of Barnum Day, the University of Bridgeport will get in the act by re-presenting the Office of Campus Productions' pageant, "The Barnum Diary."

Based on the life of the great P. T., the pageant will boast a cast of more than 200 persons with all the pomp and merriment of the circus. The June 12 showing, to be presented in Beardsley Park, will have a cast larger than that which will present the pageant May 8 at Marina Park Circle, as part of the UB Wistaria weekend festivities.

Casting for the super-pageant will continue this week, Mr. Albert Dickason, director of campus productions, has announced.

Participating in the production will be Steve LePage and John Karlac, technical staff; Stan Epstein and Nordin Hahn, stage; Fred Blumberg, make-up; John Hackett, circus float manager and parade marshal; John Reed and Ed Morrison, special effects; Ev Matson, business manager; Sheldon Las-

Scribe Editors Select Citation Winners This Week

The Scribe Board of Editors will meet this week to select The Scribe Citation Winners for 1948-49, James Dlugos, editor of The Scribe, announced yesterday. The winners will be honored at the Publications Banquet to be held May 12 at the Hitching Post Inn.

The Citations were established in 1948 to honor those students who had participated outstandingly in extra-curricular activities while at the University. Totally different from any other award given at UB, the students who receive the Citations are selected by The Scribe Board of Editors—a group of about a dozen students who have been following the various student activities closely throughout the year.

The awards are given for excellence in athletics, for outstanding participation in civic affairs, for successful promotion of social activities, and for exhibiting a notable interest in UB's campus activities in general.

A similar award is also given to a member of the faculty who, in the opinion of the students on the board, have done the most to better student-faculty relationships.

Scribe Citation Winners for 1948-49 were John Barron, athletics; John Cox and Chris Parra, civic affairs; Everett Matson, social activities; and Reigh Carpenter, campus activities in general. Professor Albert Dickason won the faculty award.

SUMMER REGISTRATION DATES ADVANCED

Summer school registration has been switched from the week of June 13 to the week of May 9 and will take place at Howland Hall. All students now on campus will be allowed to register completely on that date. Students must clear with their advisers before reporting to Howland Hall. Complete details will be given in the next issue.

The NSA And You

From time to time I hear a student comment, "Someone in my dorm belongs to the NSA," or, "A boy in my Sociology class is a member of the National Student Association."

These remarks are evidence of a misconception concerning the membership of NSA; a misconception that the National Student Association is an organization of small branches or chapters on campuses and that only a select few really "belong."

On a campus, such as UB where the student government has ratified the NSA constitution and the membership dues have been paid, all the students are members of the association and share equally the opportunity to use the Purchase Card System, make application for foreign student tours, and participate in the other NSA initiated programs.

Of course, in an organization of such large membership, a smaller functional campus unit is necessary. The functional unit of NSA at UB, as set up by the Student Council, is the NSA Campus Commission whose task it is to familiarize students with NSA activity, and to insure wide participation in its programs.

The NSA Campus Commission should NOT be permitted to become a small clique of individuals who are the sole participants in all NSA projects. All NSA projects are open to the entire student body, and the participation of students in any of the activities of the association is welcomed. The commission exists for the sole purpose of benefitting—you—the American College Student.

The widest possible campus participation in NSA is necessary if the broad purposes of the association are to be achieved; for only when the students of each college are really aware of belonging to the NSA and are eager to exercise their rights and responsibilities of membership will there begin to develop a strong community spirit among the students of the country as a whole.

B. A. R.

This is a paraphrase of the editorial "Who Belongs To NSA?" by Helen Jean Rogers in the November, 1948 issue of the NSA News.

Central Charity Fund for UB

We're not ones to be stingy with what money we have—we don't hesitate to contribute to a worthy cause when it needs our help—but we are rather sick of charities. During the past year eight different worthy causes solicited funds from UB students: the Bridgeport-Stratford Community Chest, the Red Cross, the National Foundation for Infantile Paralysis, the Crippled Children's Workshop, the Cancer drive, to mention a few.

After someone queried, "Who ever heard of a college student with spare money?", the Student Council last November authorized the Bridgeport chapter of the American Society for the Advancement of the Shmoo, Inc., to serve as official charity fund raising agency for UB.

Now the Chapter, in cooperation with the NSA Campus Commission, has submitted a plan to the Student Council Advisory Committee, for its consideration and recommendation to the Student Council, under which all charities would be combined into one Central Charity Fund.

We think that's a good idea.

All of the charities deserve our respect and assistance. Would we were wealthy and we could contribute lavishly to all of them. But that's not the case, and we're afraid, in the shuffle of separate drives, some of them are neglected when they hit us at the wrong time of the month.

Through the Central Charity Fund we foresee larger contributions (we'll dig deeper when we know we won't be bothered for the rest of the year) and a more equitable distribution of the money we donate.

One phase of the plan particularly appeals to us, and that is the "pay as you go" method of donation. Students will be able to give larger amounts with less effort if they can spread their contribution over three months, as proposed by the Chapter.

We hope the Student Council considers the plan favorably, but we caution the Council to make sure a dynamic and responsible committee is named to administer the fund.

"Marshall Plan Success," Declares Norman Cousins

"The American people must establish a world government with binding laws, compulsory jurisdiction and a preponderance of force," Norman Cousins, editor of the Saturday Review of Literature, said here last Friday night in a talk at a public session of the Connecticut Intercollegiate Conference on Marshall Plan aid.

"The world lacks a 'framework' in which the Marshall plan and the Atlantic pact can accomplish their aims of containing communism and preventing war," he said.

"We're doing our best, just as we did before World War I and World War II," he said. "But it's not enough. We've got to transcend ourselves and do something as far ahead of anything done before as the atomic bomb is ahead of a .22 calibre bullet."

"Both the United States and the Soviet Union are 'resisting' world government," according to Mr. Cousins. "... the Soviet Union because the Russian leaders are hoping for a world government of their own by waiting until internal disintegration turns nations to the Communists, and the United States because Americans don't realize that continuation of democracy in this country depends on world government."

The Marshall Plan has been "more successful than expected," he said, but containing Communism in Europe is "not enough." If Communism is stopped on the continent, it will break out in the Far East, he declared, and until there is a world government, the "threat will continue to drive into gaps somewhere."

Mr. Cousins was introduced by James Jephcote, general chairman of the all day conference sponsored by the International Relations club. Mr. Cousins spoke to about 100 students, faculty members and guests in Fones Hall.

Delegates from nine colleges took part in the panel discussions on Marshall Plan aid during the afternoon.

The Conference Committee consisted of James Jephcote, chairman; Kenneth Maloney, publicity, both of Bridgeport; Julian Short, program, West Haven; Samuel Boyarsky, registration, Wallingford; Katherine Phinney, decorations, Amherst, Mass.; William Delury, banquet, Waterbury; Kim Hess, room, New York City.

Mr. Rene de Messieres, cultural attache at the New York French embassy, was the guest speaker here last Saturday at the annual convention of the American Association of Teachers of French (Connecticut Chapter). He spoke on "The Literary and Cultural Season in France."

Kendall Speaks on UB Evening School At Lions' Luncheon

"Four levels of study are open to evening students at the University of Bridgeport," Harry A. Kendall, evening school director, declared in an address before the Lions Club last Wednesday.

"These are," Mr. Kendall said, "separate courses selected for refresher training or retraining to meet changing conditions; a concentrated certificate program of a personalized selection of business, industrial, or other practical courses 'tailored' to meet individual interests, the associate degree program granted for 62 credit hours of two full years of university training in a number of major fields, and the bachelor's degree granted for completion of 124 hours of college credit."

"At present there are 45 part-time instructors representing 26 different business, industrial, professional and social groups in Bridgeport," he said.

"More than fifty different occupations are represented in the evening college with ages of participants ranging from 16 to 59 with the average age 28," he said. Continuing he stated, "65 per cent of evening college students are married, and three-fourths of these have children. One lady who is attending has a family of five children, and several have three and four. Most of the enrolled come from greater Bridgeport."

Married Couples Elect Don Bliss Temporary Pres.

The student married couples get together, which was held last Saturday night in Fones Snack Bar, was a great success, according to the newly elected president, Donald Bliss. Nine couples have formed the nucleus of this new organization which is now seeking a charter with the University.

The members are making long range plans for summer picnics, hikes, beach parties, and many more meetings as enjoyable as the one held last week. At this meeting temporary officers were elected with Mr. Donald Bliss becoming first president of the club and Mr. William Wiederhold, vice president.

Another meeting is planned for this Saturday at 8:30 p.m., when plans for the first picnic will be discussed. The wives will furnish home-made refreshments.

Block Party to Feature Free Eats, Beauty Contest

By RODNEY VARNEY

Dance for free to the lilting rhythms of Bill Kohler and his Original UB Band at the coming Block Party next May 7. Festivities are set to start at 8:00 sharp.

The dance-party, another added feature of the Wistaria Weekend celebration will be held near the bathing pavilion at Seaside Park.

Free refreshments and an unusual contest will supply extra color for the dance. Alpha Phi Omega fraternity is sponsoring a male beauty contest in which all the contestants will be clad in the swimming attire of the late 1800's. The winner will be picked by a panel of three women instructors of the University, and will receive the rather dubious honor of being named Mr. Bridgeport of 1890. An appropriate prize will be awarded the winner.

This contest is open to all male students, and applications may be obtained at either the Fones or Fairfield bulletin boards and returned to either switchboard. Contestants will be judged on the basis of originality and thoroughness of costumes. An additional award of \$5.00 will be made to the organization or fraternity entering the most contestants.

This is the last spring dance of the year and everybody is asked to come out to share in the fun and have a good informal time.

Dance committee members are Don Mills, chairman, Ethyle Power, Norma Kelly, Joan Patterson, Gertrude Stead, Ruth Bowden, Lois McMellon, Jackie Keefe, Mil Bohner and Bob Downey.

Graduation exercises will take place Tuesday evening, May 31, at the Klein Memorial, when Senator Raymond E. Barret Qualifies in Debate Elimination

Richard Barrett, a freshman majoring in advertising in the School of Business, placed first in the public speaking elimination contest held Friday, April 22, in F 2. He was one of three participants who spoke before a small audience.

Barrett, who attended the University School and resides in Stratford, won the state championship at the American Legion sponsored speaking contest last year in Hartford. He also was the recipient of a national award in the Jr. Achievement Radio Workshop.

Barrett's topic, "I Love America," was termed excellent by Mr. Banks, an instructor in English. By placing first, Barrett is eligible for the May 4 contest to be held at 8 p.m. in Fones Lecture Hall. The semi-finals for representatives of the Effective Speaking course have been scheduled for April 27 to 29.

average of 28 percent since 1939.

The report went on to state that Veteran enrollments, which have decreased some 17 percent in the past year, were expected to end by 1956. Therefore appropriations under the present G. I. Bill should be diverted, coincident with this decrease, to non-veteran students of ability and need.

Despite the current enrollment of more than 2,400,000, 75 percent of the nation's 17-18 year old group were not enrolled in colleges. Some fifty percent of this group are in

families whose income is below \$3,000 per annum. Average tuition and living costs at college ranging between \$750 and \$1,000 yearly, indicate the pressing need for financial aids.

Program on Three Levels

The NSA has launched its program on three levels. In the first two its member colleges and regional organizations have been called upon to solicit congressional and public support for national scholarship legislation.

On the national level, the staff of NSA has appealed to House and Senate committees to recommend national scholarship legislation, the Sub-Commission on legislation in Washington is preparing to contact members of Congress to enlist their support, and the staff of NSA is studying pending legislation before Congress, and will prepare recommendations for the National Executive Committee on the endorsement of specific measures. The NSA has offered to appear before the Senate and House Committees dealing with educational legislation in future hearings.

Any students interested in expressing their opinion either way on this program should contact David Zimmer at the NSA office, third floor, Howland Hall.

Glinesmen Bow Twice to Superior Foes

Ithaca College Swamps UB In Season's Opener

By JERRY BLOCK

Playing its first scheduled intercollegiate game of the season, the UB baseball team was swamped 8-2 by a hard hitting Ithaca squad at Candlelite Stadium, April 20.

Don Henkel, a promising newcomer, started on the mound for the Glinesmen, and he was opposed by Tom Quest of Ithaca.

Ithaca opened the scoring in the first inning by pushing across a run against Henkel who started rather shakily. The Purple Knights came back in the second to tie the score. Ed Howard popped out to the catcher. He was followed by Jim Fitzsimmons who walked and then on the next pitch stole second. Walt Casey, centerfield, then struck out. Art Wargo, the squat little catcher, promptly singled Fitzsimmons home. He advanced to second on a nerror by second baseman Passineau. But Quest bore down to get Henkel on a bounce to the shortstop who threw the batter out at first.

Pitchers' Duel

The contest turned into a pitchers' duel until the fifth inning when Coach Bucky Freeman's club broke loose with a three run splurge. Wilson led off the inning by flying out to Fitzsimmons in left field. Straub then walked. He was followed by Frank Markell who drove in two markers with a tremendous home run. Francisco took advantage of the tiring Henkel by clouting a double. Donald followed by being thrown out at first by the pitcher. Herloski drove home Francisco with a single, making the score 4-2.

Ithaca broke loose once more in the seventh when Straub reached first on an error by second baseman Johnny Barron. Frank Markell again displayed his slugging power when he slammed home Straub with a resounding triple. After Francisco and Donald filed out,

Herloski doubled scoring Markell and putting the game on ice.

UB shoved across another run in the eighth when Captain Lou Suchenski and Johnny Barron doubled.

Hillyer College Defeats UB, 7-2

Hillyer College got off to a fast start and defeated UB 7 to 2, in a baseball game played in Hartford Friday.

A feature of the contest was the fine relief twirling of freshman John Mika for the Bridgeport team. This six-foot-plus, 200-pounder limited the Hawks to one scratch hit in his four and two-thirds innings on the hill although an error permitted a single Hillyer run to score in the seventh.

Mika went to the mound after Bobo Chamberlain, UB starter, and Bernie Schulman fell victims to an early Hillyer batting spree. The Hawks put across three runs in the opening frame and added two more in the second to take a commanding lead. They easily maintained the advantage behind four-hit pitching by Frank Myers, who fanned six.

A surprise of the game, from a UB standpoint, was the mid-game switching of Captain Lou Suchenski from shortstop to catcher.

UB Golf Team Wins Over New Britain

The UB golf team won its second straight match by outclassing the State Teachers College of New Britain, 6½ to 2½, last Friday at Mill River. Ernie Boros, Dud Savard and Ted Gryzbala were leading scorers for the Bridgeport team with 74, 76 and 78, respectively.

The results follow: Boros and Savard (B) defeated Mazzarella and Speer; Gryzbala and Crosson (B) defeated Blazah and Milcynowski; Anderson and Honcharik (B) played even with Marianella and Dunn in best-ball. In individual matches, Boros (B) defeated Mazzarella, 2 and 1; Savard (B) defeated Speer, 4 and 3; Marianella (N. B.) defeated Anderson, 4 and 3; Honcharik (B) defeated Dunn, 3 and 2; Milcynowski (N. B.) defeated Crosson, one up, and Cryzbol (B) defeated Blazah, 2 and 1.

Four Teams Lead IM Softball Loop

By BILL CHAMBAULT

Four teams remain unbeaten in the two intramural softball leagues following the first three weeks of competition.

Marina, Calvert, and Stratford Halls lead the pack in the dormitory circuit while the University Brotherhood Association is setting the pace in the fraternity loop.

Of the quartet, Marina has posted three triumphs while the others have all won a pair of decisions. Marina's trio of conquests have come at the expense of Alpha Gamma Phi "2", 15-9; the Frantic Ones, 7-1; and West Hall, 11-8. Calvert has defeated the Frantic Ones, 9-7, and the Schemers, 18-8, while Stratford has taken the measure of Park Hall, 8-6, and the Schemers, 10-8.

In the fraternity league, UBA knocked off the Crackerjacks, 21-16, and Kappa Beta Rho, 9-7. In addition to the UBA run total of "twenty-plus" compiled against the Crackerjacks, two other clubs have also gained membership in the "20-Club". They are Delta Epsilon Beta who slaughtered Alpha Delta Omega, 24-7, and Waldemere Hall who massacred the Frantic Ones, 24-5.

The fielding gem of the still very young season was the triple-play executed by Stratford Hall against Park Hall.

NSA to Introduce

community level organization of NSA Area Committees, purchase discounts at local business concerns for students at member NSA colleges. The cards, which are issued by the national office to area committees and sold by the member college, will cost one dollar and entitle the student holder to guaranteed sales discounts at co-operating enterprises in his own community or in any other community throughout the United States in which the plan has been put into effect.

In addition, each Purchase Card holder will receive a subscription to NSA News. Cards will be non-transferable, and only one will be sold to a student. Evening and special students will be able to take part in the advantages of the plan.

Funds derived from the sale of the cards will be used to pay for the activities of the NSA. Seventy cents of each dollar will remain at UB while ten cents will go to the regional organization and twenty cents to the national office.

Discounts for Necessities

The NSA will contract for discounts with commercial enterprises dealing directly with student necessities. Such enterprises include the following types of stores: food, clothing, drugs, restaurants, repairs, athletic equipment, college supplies, cleaning, laundry, theatres,

Cheers Lacking; Leaders Needed

The Cheerleaders Club, in urgent need for new members to replace those scheduled to be lost through graduation, will hold a meeting and tryouts on Monday, May 2, Tony Iannone announced last week.

Only four "lettermen" are returning from last season's group. Included among the quartet is President Johnny Carlson; others are Ruth Bowdoin, Steve Kost, and Dave Halpern.

Newcomers who will display their forms and shapes at the tryouts are Joan Dudeck, Marian Coria, Audrey Kane, Carole Lukachik, and Carlotta Suarez.

Mr. Iannone declared all those students interested in joining the club are urged to attend the combined meeting and tryout session. Last year's organization enjoyed a successful campaign, and Iannone and President Carlson are looking forward to an even bigger and better one in 1949.

UB Soccer Team Begins Practice

With all but two of last year's lettermen returning, UB's varsity soccer team will begin a two-weeks spring practice session on Monday, May 2, Coach Tony Iannone announced this week.

Headed by Captain-elect Charlie Feld the veterans include John Stewart, Charlie Elovecky, Al Abramson, Charlie Kellogg, Ernie Boros, Bob Smith, Ed Saylor, Norm Martin, Bob Janson, and Frixon Boules. Sheldon Lasnovsky was appointed manager for the approaching 1949 fall campaign.

auto repairs, watch repairs, luggage, travel, and student service. Contracts will not be issued for luxury goods or goods not directly affecting regular students' living and educational expenses.

More than 150 merchants throughout the country have already joined the plan with several hundred thousand students in some fifty or more colleges coming under its benefits. Contracts with merchants in the Bridgeport Area will be signed as soon as national authorization has been granted. Cards will go on sale to students at the beginning of the Fall semester.

A complete explanation of the plan as it now stands will be made by John Saccone and other members of the committee during "NSA Night" at the Fones Snack Bar, May 4, 8:30-10 p.m. National, regional, and campus officers and workers in NSA will be present to answer all questions and explain the various projects in the NSA's program for 1949. Information can be obtained by contacting John Saccone, James Gaffney, Bill Christensen, or Everett Matson.

IM Track Meet To Be Held May 11

By BILL CHAMBAULT

The intramural track meet has been rescheduled for Wednesday, May 11, with the deadline for entries now set at May 4, Tony Iannone IM sports director announced last week.

In making known the shift of the event, Iannone explained that the new date would give contestants more time to "run themselves into condition," and would also allow those students who go home on weekends to participate in the meet. Originally, the meet was scheduled for Saturday, May 7.

Mr. Iannone also released the names of the judges for the outdoor event. They are Edward Tamashunas, UB's varsity swimming coach; Walter Kondratovich, assistant football coach; and William Allen, history instructor. Stan Ramik will be the announcer. Starting time for the first race has tentatively been set at 2:00 p.m.

Thus far, remarked Iannone, "there has been a high degree of interest in the coming meet. The fraternities, especially, have attached a great deal of importance to winning the meet and have submitted large entry lists."

Ping-Pong Playoff Today at Seaside

The intramural ping-pong tournament's championship final match will be held today at either Marina or Waldemere Halls, Tony Iannone, youthful IM sports director announced last week.

The deciding match will pit the winner of the dormitory playdown against the winner of the fraternity playdowns. A trophy will be presented to the dorm or frat whose man wins.

A starting field of 11 players opened the playdowns last Thursday. The quintet who vied for the dormitory championship were Johnny Van Brunt, Park Hall; Bob Beach, Stratford Hall; Tom Kiung, West Hall; Hal Hurwitz, Waldemere Hall; and Mel Price, Marina Hall.

Those in the fraternity playdowns were Bob Friedman, Sigma Phi Alpha; Nick Fatse, Beta Alpha; Tom McGannon, Theta Sigma; Irv Saltzman, Alpha Gamma Phi; Nick Sabatelli, Alpha Delta Omega; and Lee Broadwin, Delta Epsilon Beta.

Foneyville Follies

By BOB DONALDSON

This week's column is dedicated to Accident Prevention on the highways and since statistics show that when women wore shorter skirts there were 50% less car accidents I would like to suggest that we prevent car accidents entirely.

Dud Savard, the UB links whiz, tells about the golfer who made a perfect 36 on the Fairchild Wheeler Golf Course the other day—He says she was a slick chick.

That sudden breeze that whips through the Fairfield corridors every day about 11:15 isn't caused by an open window—It's just Vinnie Howe making his daily mad dash to the Business Law class to make sure he doesn't miss any of Mr. Lesser's inspiring lectures—It is rumored that Mr. Lesser's business philosophy has imbedded itself so firmly in the minds of the students that the Bursar can't get the students to sign anything without three witnesses and a notary public.

Bob Anton claims he can lay a foundation using Calculus—but we all know you have to use cement.

Chip Ghiringhely states that although a fellow may look polished he can still be a little rough around the hedges.

Jo Coulter, while on a picnic recently with his lovely little gal friend Jackie Logan, proved his woodsman's ability by making a smudge fire to chase away the annoying insects—It worked so well that it also drove off twelve picnickers, four cows, and a woodchuck.

And then there was the UB Sociology student who skipped lectures because of Class Hatred.

Bruce Walker tells about the UB instructor who said: "I shall now illustrate what I have in mind" as he erased the blackboard.
